ITEM TITLE

Proposed Planning (Zoning) District 34

STAFF RECOMMENDATION

Approve the boundaries for the proposed Planning (Zoning) District 34.

BACKGROUND INFORMATION

Previous Commission action/date: 08/04/2020

Background: The Planning and Zoning staff has recently had discussions with citizens residing in an area along County Road 65, north of its intersection with County Road 12, pertaining to the formation of a new Planning (Zoning) District and the request for a referendum for Planning and Zoning purposes. The area in question is located in northern portions of Planning District 27 and southern and eastern portions of Planning District 18. If approved, the new district would be known as Planning District 34. A map showing the boundaries of the proposed district is attached to this agenda item.

The steps for exercising Planning and Zoning authority are found at Title 45, Chapter 2, Article 26, Part 2, Subpart 1 of the Code of Alabama and are listed as follows:

1.) A party or parties seeking to file a petition shall notify the County Commission in writing that the parties will petition for the formation of a Planning District and the proposed boundaries of the district.

2.) Within 15 days of notice to the County Commission, the Judge of Probate shall give a preliminary estimate of the number of signatures needed to call the election. Ten percent of the qualified electors residing within the proposed planning district will need to sign the petition. Planning and Zoning staff will notify the Judge of Probate.

3.) The County Commission shall notify the principal party in writing, within 30 days of written notification of intent to request a referendum, that the proposed district is acceptable for planning, zoning and voting purposes, and shall furnish forms for use in seeking the required signatures.

4.) The party or parties will have 120 days to gather the signatures and file the petition. Upon receipt, the County Commission and Judge of Probate will have 45 days to certify or reject the accuracy of the petition. If the number of signatures is not sufficient, the party or parties will have an additional 60 days in which to obtain signatures and have the petition certified.

5.) Upon certification, the County Commission shall instruct the Judge of Probate to provide for an election within the district no later than 90 days after certification. If the petition is not certified, a new petition cannot be refiled for two years.

At this time, the Planning staff respectfully requests the approval of the boundaries of the proposed Planning (Zoning) District 34, as shown on the attached map. If approved, staff will send the appropriate petition forms to the parties seeking the referendum.
