ITEM TITLE

Sale of Excess/Surplus Power Generators by the Emergency Management Agency

STAFF RECOMMENDATION

Approve the sale of ten (10) portable power generators by the Emergency Management Agency through the Clerk/Treasurer via GovDeals.com.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The Emergency Management Agency (EMA) is currently evaluating on-hand equipment. There are eighteen (18) portable power generators on hand, ten (10) generators are in disrepair and would be determined as excess. The quantity of power generators currently on hand requires a considerable amount of maintenance and associated costs. In addition, ventilated storage areas for these types of equipment are limited at the EMA. Power generators located at the EMA have had minimal utilization in the last few years.
