ITEM TITLE

Quote for Guardrail Replacement at County Road 87 Bridge over the Tributary to Three Mile Creek for the Baldwin County Commission

STAFF RECOMMENDATION

Award the quote to **C&H Construction Services, LLC** in the amount of **\$40,073.00** for the replacement of guardrails at the County Road 87 bridge over the tributary to Three Mile Creek and authorize the Chairman to execute the Public Works Contract and the Certificate of Compliance.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: Highway Department staff solicited quotes for the replacement of guardrails at the County Road 87 bridge over the tributary to Three Mile Creek. The only quote received was from C & H Construction Services, LLC. Highway Department staff recently became aware that an existing guardrail located at this bridge is blocking access to an adjacent property. The property has no other access alternative; therefore, the existing guardrail must be removed and an impact attenuator installed in order to remain compliant with traffic safety standards.
