ITEM TITLE

Florida-Alabama Transportation Planning Organization (TPO) Technical Coordinating Committee - Board Appointment(s)

STAFF RECOMMENDATION

Take the following actions:

- 1) Appoint Tyler Mitchell (Construction Manager, Highway Department) as a member of the Florida-Alabama TPO Technical Coordinating Committee, replacing the place seat formerly held by Seth Peterson, effective September 7, 2021, with term continuing until further action taken by the Baldwin County Commission; and
- 2) Appoint Ann Simpson (Director, Baldwin Regional Area Transit System) as a member of the Florida-Alabama TPO Technical Coordinating Committee, replacing the place seat formerly held by Taylor Rider, effective September 7, 2021, with term continuing until further action taken by the Baldwin County Commission.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The Florida-Alabama Transportation Planning Organization (TPO) is the local, intergovernmental transportation policy board for Santa Rosa and Escambia counties in Florida and part of Baldwin County, Alabama. The board is comprised of local government officials who make decisions regarding transportation at the regional level. The Florida-Alabama TPO is required by federal and state legislation to establish a continuing, cooperative, and comprehensive planning process. The TPO also works to increase safety, security, accessibility, mobility, and connectivity for people and goods.

Presently, Commissioner Gruber serves as a voting member of the Florida-Alabama TPO. In addition to the TPO board, the Florida-Alabama TPO has a Technical Coordinating Committee (TCC), and a Citizens' Advisory Committee (CAC).

The TCC is made up of local government staff and other stakeholders. Their knowledge of local projects and issues allow the members of the TCC to provide technical advice to the TPO board. At this time staff is requesting the Commission to appoint Tyler Mitchell, Highway Department Construction Manager, and Ann Simpson, BRATS Director, as members of the Technical Coordinating Committee.
