ITEM TITLE

Baldwin County Solid Waste Standard On-call Contracts for Engineering and Related Services

STAFF RECOMMENDATION

Based on Baldwin County Policy #9.10, take the following actions related to standard on-call contracts for engineering and related services:

1) Make the following standard Master On-call Contracts for Professional Services part of the record:

- a) CDG Engineers and Associates
- b) Cornerstone Environmental Group, LLC
- c) Environmental Business Services
- d) Goodwyn Mills Cawood, LLC
- e) SCS Field Services
- f) Terracon Consultants, Inc.
- g) Thompson Engineering, Inc.
- h) TTL, Inc.
- i) Volkert, Inc.

2) Approve each contract including the attached Exhibit A, Insurance Requirements, with each

contract.

BACKGROUND INFORMATION

Previous Commission action/date: 06/18/2019 - Last BCC approval

Background: To date, nine (9) of the ten (10) mailed contracts have been signed and returned to the Commission. Staff has not received signed contracts back from the following vendor: Aptim Government Solutions, LLC.

Staff would like to make the received contracts part of the record once approved by the Commission as these vendors will be the Master On-call Contractors for Engineering and Related Services.

Policy #9.10 was approved by the Baldwin County Commission on January 19, 2016, and this policy established a uniform method for the acquisition of engineering and related services for all Solid Waste Department projects. The approval of the attached on-call contracts will allow the Development and Environmental Director to select a qualified consultant from an established list of contract consultants for projects estimated and budgeted less than or equal to \$100,000.00.

FINANCIAL IMPACT

Total cost of recommendation: N/A

Budget line item(s) to be used: N/A

If this is not a budgeted expenditure, does the recommendation create a need for funding?
N/A
