ITEM TITLE

Planning Jurisdiction Agreement with City of Foley

STAFF RECOMMENDATION

Adopt Resolution #2022-141 which approves the Planning Jurisdiction Agreement between the Baldwin County Commission, the City of Foley, and the Planning Commission of the City of Foley, governing the regulation of subdivisions outside the City's corporate limits but within the municipal planning jurisdiction.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background:

The Governor signed Act No. 2021-297 (SB107) into law on April 27, 2021. The Act became effective 90 days following the Governor's signature, on July 26, 2021. While Act No. 2021-297 amended several different sections of Alabama's Code, this item focuses on the amendments to §11-52-30 which authorize the County and the municipalities to enter into agreements that establish which entity is responsible for the review and approval of subdivisions within the municipal planning jurisdiction, outside the municipal corporate limits.

Legal Counsel for Baldwin County, Hope Hicks, has negotiated a Planning Jurisdiction Agreement with the City of Foley. The Agreement grants the responsibility for the regulation, review, and approval of subdivisions within an area that is less than the boundaries of the allowable municipal

planning jurisdiction (more closely aligns to 1.5 miles rather than the 3 miles allowed), exclusively to the City of Foley.

The City's exclusive authority to regulate, review, and approve subdivisions will be subject to applicable state law and the requirements of §11-52-32, Code of Alabama requiring review and certification by the County Engineer and compliance with all applicable Baldwin County Zoning regulations.

This will be the first of such agreements where the City's exclusive authority will not include the regulation of condominium developments, multiple occupancy developments, recreational vehicle parks, and manufactured home parks. The county will continue to have exclusive review authority over these development applications.

Upon approval, Planning and Zoning staff will advertise and record the agreement in accordance with the requirements of the statute.
