BACKGROUND INFORMATION

Background: The Federal Transit Administration (FTA) Section 5307 Grant is approved annually. This grant secures Federal Funding to assist in supporting the capital and planning costs for an Urbanized Area Public Transportation Project for Baldwin Regional Area Transit System. This one (1) year formal agreement and the resolution are required in order for the Alabama Department of Transportation to begin the execution process for the pass through of the federal funding necessary for the Transit Passenger Shelters being constructed in Fairhope and Loxley in FY2023.

Previous Commission action/date: July 5, 2022 - BCC approved the Pass Through Agreement of Federal Funds for the 5311 Rural Transportation program.
