All other projects approved under Agenda Item BM1 remain as previously approved.

## **BACKGROUND INFORMATION**

**Background:** The Commission previously approved allocation of ARPA funds for nine specific projects; however, funds for three of those projects (i.e., COA Main Office COVID upgrades, Baldwin Together Case Manager and BSCO Hazard Pay and Law Enforcement have subsequently been determined to be ineligible under the ARPA final rule (31 C.F.R. 35 Subpart A) and/or U.S. Treasury guidance as provided in the Coronavirus State & Local Fiscal Recovery Funds: Overview of the Final Rule and/or Coronavirus State & Local Fiscal Recovery Funds Final Rule: Frequently Asked Questions.

The costs associated with the BCSO Hazard Pay were incurred prior to 03-03-2021, meaning that these were incurred prior to the ARPA “covered period” as defined at 31 CFR §35.2 and are ineligible for reimbursement.

The costs associated with the COA Main Office COVID Upgrades were based on a single quote and purchased using a purchase order during the covered period; however, required mandatory ARPA terms and conditions were not included / attached thereto. As such, associated costs are ineligible for reimbursement.

The costs associated with the Baldwin Together Case Manager were incorporated into a separate Agreement with Community Action Agency of South Alabama and Baldwin Together, as originally approved at the July 21, 2020, regular meeting and subsequently amended to extend the deadline. Since associated costs are included in a separate agreement, these would be ineligible for reimbursement/payment under ARPA based on the fact that this would be a duplication of benefit.
