Proposed Funding Source to Pay for the Derelict Boat Removal:

During the December 5, 2022, regular meeting, the Commission approved Agenda Item CA8, adopting Resolution #2023-025 authorizing the execution of an agreement with ADCNR Alabama Forever Wild Land Trust (FWLT) and approving a Memorandum of Understanding between FWLT and BCC for the FWLT to make an annual payment of \$1.60 per acre to each county where FWLT owns land. FWLT owns 48,774.7 acres in Baldwin County.

On January 20, 2023, the County received \$78,039.52 from ADCNR Forever Wild Trust.

These funds can be used to pay for this derelict boat removal.

Previous Commission action/date: 02/24/2023 - The Commission authorized the expenditure and payment of \$13,800.00 to Gillis Construction, Inc. for the removal of a derelict sailboat from the Bon Secour River.
