BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The current copy machine lease agreement for Baldwin County Legislative Delegation Office has ended. The old machine will be replaced with new a copier, which will be leased off the State of Alabama Contract. Sharp Electronics Corporation has submitted a rental agreement to replace the old copy machine with a new machine. The rental agreement is for thirty-six (36) months and will include all supplies, toner and developer. We are currently paying \$37.03 for their machine. The new cost proposal for the copier will be \$97.06 per month. The cost increase is due to the State of Alabama Contract not having the same small copier like the Legislative Delegation currently has and adding color copies to their machine.
