BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The Commission budgeted for FY 19 the replacement of the HVAC Controls and for two (2) Air Handlers at the Baldwin County Corrections Center. A quote was received to replace the HVAC Controls along with replacing all ten (10) Air Handlers from Trane off the U.S. Communities Joint Purchasing Contract.

Alabama Act #2018-413 that was signed into law on March 28, 2018 amends Sections 39-1-5 and 39-2-2, Code of Alabama 1975, to provide an exception to the public works law for certain contracts for the purchase and installation of heating and air conditioning units or systems that have been competitively bid pursuant to a purchasing cooperative if the bid process has been approved by the Department of Examiners of Public Accounts. The Alabama Department of Public Accounts has stated in a letter to all public entities that based on their review of the competitive bidding process used by U.S. Communities that all Alabama entities may use the U.S. Communities contract if we verify whether or not the goods are either not at the time available on the state purchasing program or are available at a price equal to or less than that on the state purchasing program. The Purchasing

Director has verified that the HVAC Controls and Air Handlers are not available on the State of Alabama contract.

The purchase, installation and a five (5) parts and labor equipment warranty for the HVAC Controls and the ten (10) new Air Handlers from Trane U.S. Inc., d/b/a Trane, will be a total amount of \$503,883.00. The Commission budgeted at total of \$596,433.00. This is a cost savings of \$92,550.00.
