ITEM TITLE

Resolution #2019-042 - Baldwin County Soil and Water Conservation District - Appropriation for the Watershed Coordinator Position

STAFF RECOMMENDATION

Take the following actions:

1. Adopt Resolution #2019-042 of the Baldwin County Commission, which appropriates \$41,500 from General Fund - Fund Balance, in the Baldwin County Fiscal Year 2018 - 2019, to the Baldwin County Soil & Water Conservation District; and
2. Execute the Agreement between the Baldwin County Commission and the Baldwin County Soil & Water Conservation District for the \$41,500.00 appropriation.

BACKGROUND INFORMATION

Previous Commission action/date: 09/19/2017

Background: The Commission appropriated \$41,500.00 in the Fiscal Year 2018 (10/01/2017 - 09/30/2018) budget as funding towards a Watershed Coordinator position with the Baldwin County Soil & Water Conservation District (BCSWCD) during regular session on 09/19/2017. The position was estimated to actually cost around \$81,000.00. During Budget deliberations for Fiscal Year 2018, the Commission expressed to BCSWCD that they would only write the check for \$41,500.00 when BCSWCD could show they had received funds from other sources to help fully fund the position (the full \$81,000.00). In a letter dated 07/31/2018, BCSWCD asked for the \$41,500.00, but Commissioner Dorsey, Finance Chair, instructed staff to withhold the appropriation because they did not provide documentation to support adequate funding from other sources. BCSWCD emailed staff on 01/07/2019 asking for the \$41,500.00 and provided letters of support indicating that a majority of the match funding had been secured. The original appropriation agreement expired on 09/30/2018.
