ITEM TITLE

Baldwin County Solid Waste Disposal Authority

STAFF RECOMMENDATION

For Review and Discussion:

Mr. Jim McNaughton with Environmental Business Services wishes to come to outline the recommendations from the Feasibility Study conducted by his firm.

Recommendations include dissolving the currently dormant Solid Waste Authority and incorporating a new disposal authority pursuant to the provisions of Title 11-89A, et seq. Code of Alabama 1975.

BACKGROUND INFORMATION

Previous Commission action/date: March 12, 2019 - Work Session to Notify the commission of the intent to hire Environmental Business Services of the feasibility study to be conducted.

Background: The Baldwin County Commission formed on December 17, 1993 and is officially named the Baldwin County Solid Waste Disposal Authority, Inc. (the "1993 Authority"). The 1993 Authority was formed pursuant to the provisions of Title 11-89A, et seq. Code of Alabama 1975. The 1993 Authority established a Board of Director with seven (7) members. The 1993 Authority is not currently active and has not been active for quite a while. Incorporating a new solid waste disposal authority could play a vital role in the development of an *integrated solid waste management system*.
