BACKGROUND INFORMATION

Previous Commission action/date: August 15, 2017

Background: Planning District 25 (Fort Morgan) is one of the most unique and environmentally sensitive areas in Baldwin County. Recently, the Planning staff has become aware of numerous concerns and issues facing the planning district. Through discussions with and input from the Fort Morgan Planning and Zoning Advisory Committee, the Fort Morgan Civic Association, the Fort Morgan Volunteer Fire Department and various citizens, staff has developed a series of amendments to the Planning District 25 Local Provisions. The amendments include the following:

- Removal of HDR, High Density Residential District, as an available zoning designation in Planning District 25. This will also include a statement under Section 4.10. (See staff report for Case TA-19002 and Case TA-19003).
- Establishment of a maximum building height limit of two (2) habitable stories for single family and two family dwellings.
- Establishment of requirements and standards for dune walkovers.
- Establishment of Planning and Zoning considerations for the Coastal High Hazard Area (CHHA) and Flood Hazard Area (FHA). The section provides definitions and objectives as well as standards for future rezoning requests. A map indicating the Coastal High Hazard Area and Flood Hazard Area is included.

The Planning Commission considered the amendments on September 5, 2019, and voted to recommend APPROVAL to the County Commission.

The proposed amendments are included with the staff report and resolution which are attached to this agenda item. Additions highlighted in red and underlined.
