BACKGROUND INFORMATION

Previous Commission action/date: 02/21/2017

Background: To promote the long-term growth of the Fund and to provide participating members with additional financial assistance during this budget year, the Fund's Board of Trustees has approved two distributions to the participating members. First, a refund of investment earnings will be distributed to all Fund participants in early 2019. Secondly, the Board has established a one-time "Longevity Bonus" for county commissions equal to 15 percent of their 2019 liability premium-contribution.

Baldwin County's share of the investment refund will be provided following the receipt of its 2019 premium contribution payment. Additionally, each County Fund Member will receive the Longevity Bonus on May 1, 2019, provided it adopts a Resolution expressing its intent to participate for the new contract year and executes the attached Participation Agreement.
