ITEM TITLE

Pre-Qualification Application Process of General Contractors for Baldwin County Commission Construction Projects

STAFF RECOMMENDATION

To Be Discussed:

Changing the level of assurance relating to financial information requirements currently being requested on the County's Pre-Qualification Application of General Contractors on construction projects. The County's Pre-Qualification Application currently states:

"Applicants are required to submit a complete financial statement including the latest Audited Financial Report (Balance Sheet, Profit and Loss Statement and Foot Notes) for the most recent fiscal year must be included."

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The County Purchasing staff is requesting guidance from the Commission relating to the level of assurance the Commission would like to require from Contractors on their financial information to pre-qualify on construction projects. The Pre-Qualification Application that was previously approved by Commission for staff to use states "Applicants are required to submit a complete financial statement including the latest Audited Financial Report (Balance Sheet, Profit and Loss Statement and Foot Notes) for the most recent fiscal year must be included."

The Commission could choose to change the requirement to mirror the Alabama Licensing Board for General Contractors requirement relating to financial information which reads as follows: "The Board will accept an audited, reviewed, or compiled financial statement, completed in accordance with US Generally Accepted Accounting Principles (US GAAP), prepared by a Certified Public Accountant." (Corresponding Financial State must be attached to application). The current County Pre-Qualification Application is attached for Commission review.
