### **BACKGROUND INFORMATION**

**Previous Commission action/date:** 08/17/2021 - BCC Regular Meeting

#### **Background:**

08/17/2021 - BCC approved the submittal of the grant application for the National Association of Realtors Diversity and Inclusion Grant in the amount of \$5,000.00, said funds to be used to expand the Baldwin County Historic Driving Tour and Park App.

The National Association of Realtors Diversity and Inclusion Grant will collaborate with the awarded Phase I and Phase II Gulf Coast RC&D grants. This funding will assist the continuous development of the Historic Driving and Walking Tour App for historic sites in Baldwin County for educational outreach as well as economic development and tourism. The app is marketed to visitors looking for a day trip to explore the County's history and culture and is promoted as an educational opportunity for residents and students looking to better understand the significant historic sites of Baldwin County. This app addresses all three of the RC&D focus areas. As an educational program for students and residents, the app allows for self-guided learning to accommodate a variety of educational and physical capabilities. Baldwin County's history is rich in agriculture and natural resources. The goal is to teach users to appreciate and better care for the natural resources available in Baldwin County.
