ITEM TITLE

Alabama Department of Conservation and Natural Resources (ADCNR) - State Expenditure Plan # 13: Longevity, Stability and Water Quality Improvements, Bon Secour Dredge Material Disposal Area - Subaward Grant Agreement - Amendment No. 1

STAFF RECOMMENDATION

Approve and authorize the Chairman to execute the Subaward Grant Agreement - Amendment No. 1 and Disclosure Statement between Alabama Department of Conservation and Natural Resources and Baldwin County Commission for the State Expenditure Plan #13: Longevity, Stability and Water Quality Improvements, Bon Secour Dredge Material Disposal Area project which adds additional funds needed for construction, extends the grant performance period by twelve (12) months to July 16, 2023, and revises the project milestones accordingly.

BACKGROUND INFORMATION

Background: On December 17, 2020, Baldwin County was awarded a Resources and Ecosystem Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE ACT) Grant in the amount of \$350,966.00 for Bon Secour Dredge Site improvements. A new notice of award was given on July 12, 2022, adding additional construction funds of \$315,510.00 and extending the grant performance period and project milestones in the Subaward Grant Agreement. The purpose of this project is to construct a structurally sound weir, replacing the existing weir structure, at the Bon Secour Dredge Material Disposal Area.
