Termination of Intergovernmental Service Agreement with City of Daphne for Construction of Corte Road Extension between County Road 13 and Friendship Road

STAFF RECOMMENDATION

Take the following actions:

- 1) Approve terminating the Intergovernmental Service Agreement with the City of Daphne for construction of Corte Road Extension between County Road 13 and Friendship Road approved during the March 21, 2023, Baldwin County Regular Meeting (Agenda Item CN6); and
- 2) Notify the City of Daphne with thirty (30) days written notification of termination as stated in the agreement.

BACKGROUND INFORMATION

Background: The City of Daphne previously partnered with the County by committing \$250,000.00 to construct an extension of Corte Road from County Road 13 to Friendship Road. After further discussion, it has been determined a Milton Jones Road extension is a more desirable east/west corridor to serve the traffic flow needs of the area. The current Intergovernmental Service Agreement must be terminated to allow the funds committed by the City of Daphne to be used on the new corridor.

The agreement may be terminated, with reasonable cause, upon written notice to the City. The County's notice shall be deemed effective, and the Agreement terminated, thirty (30) days after the date notice is mailed by certified mail to the City.
